

Downloading Apps

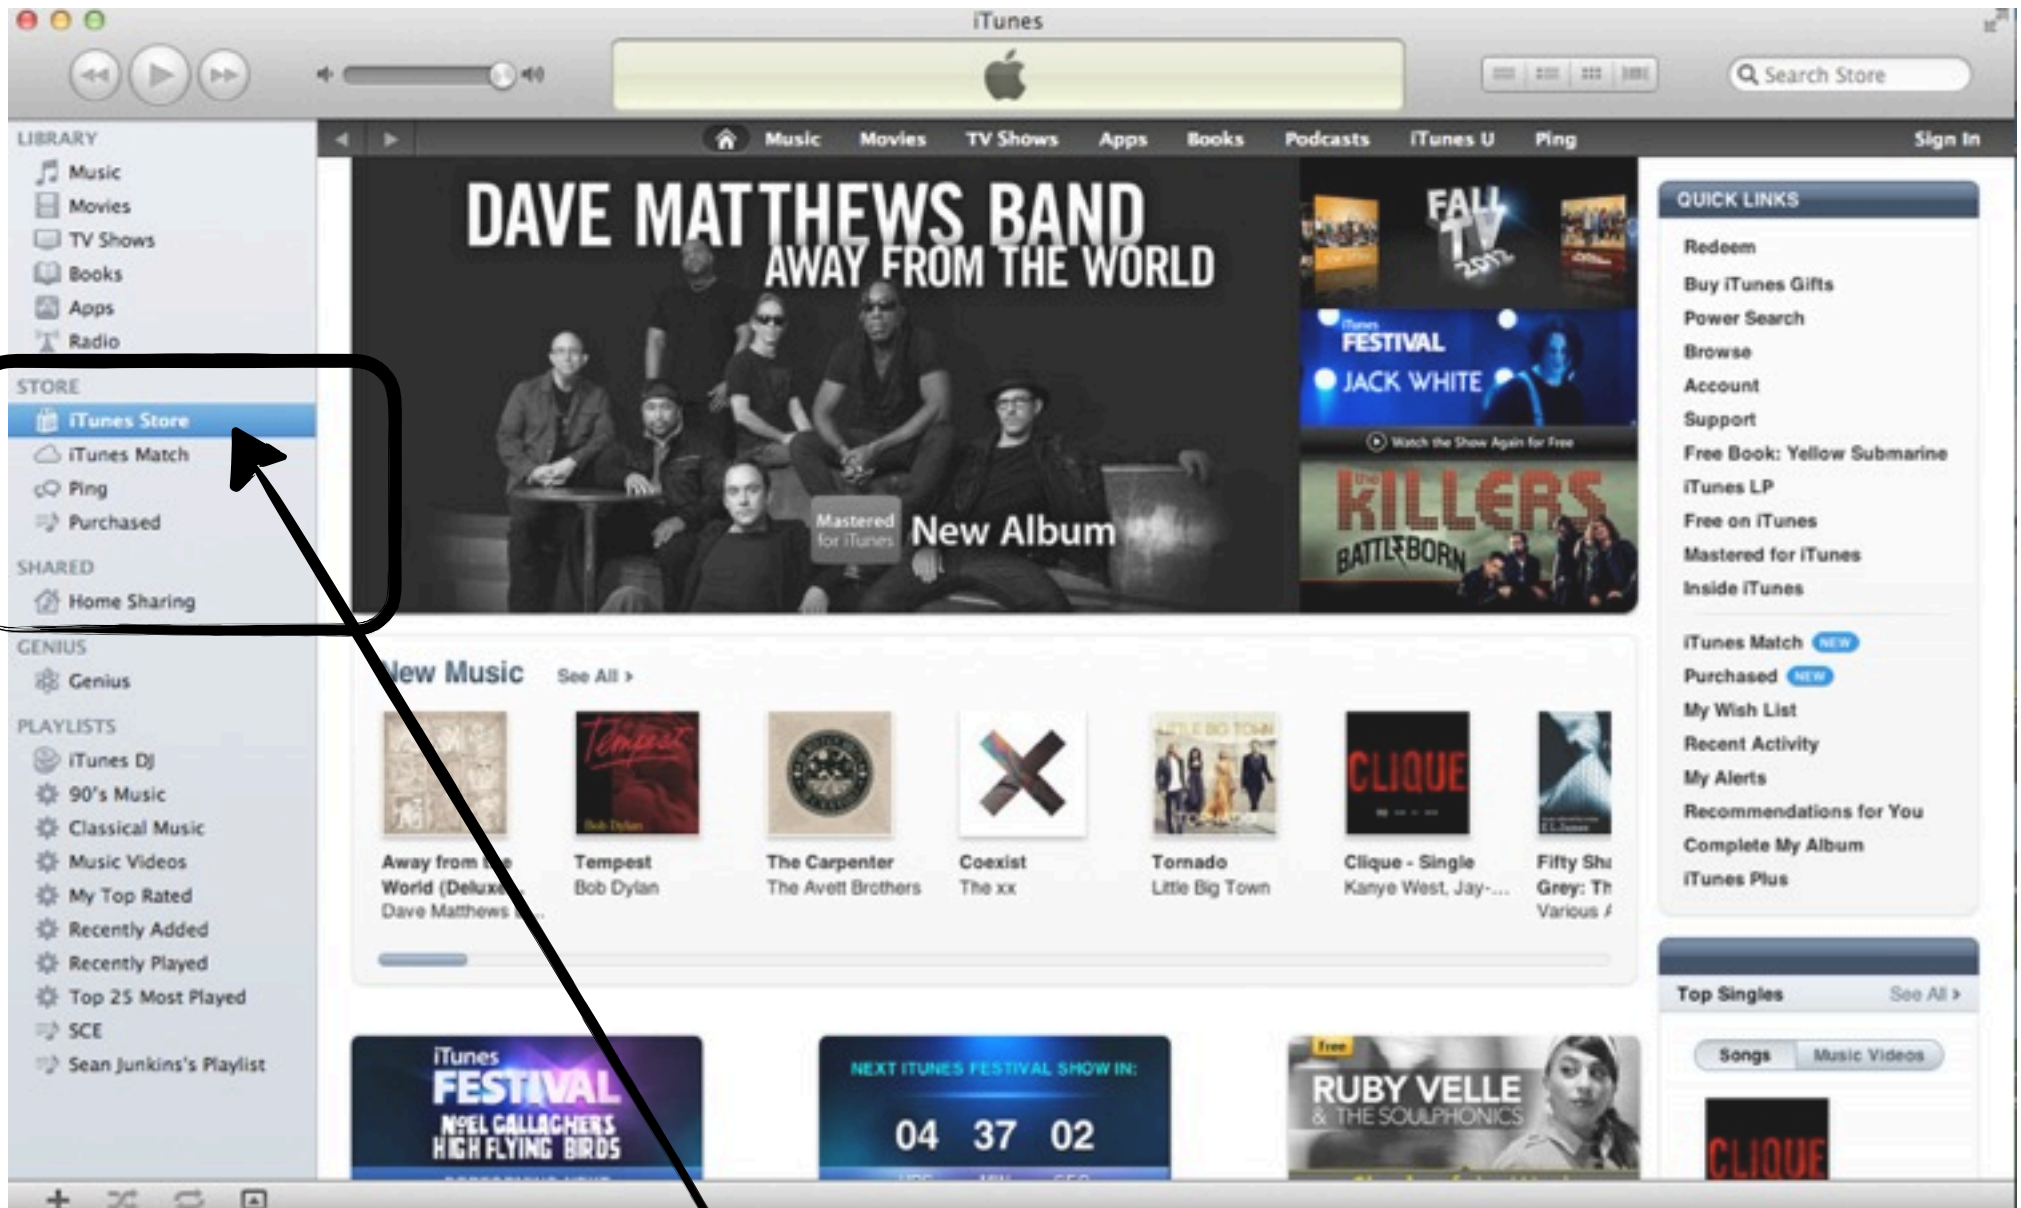

with iTunes

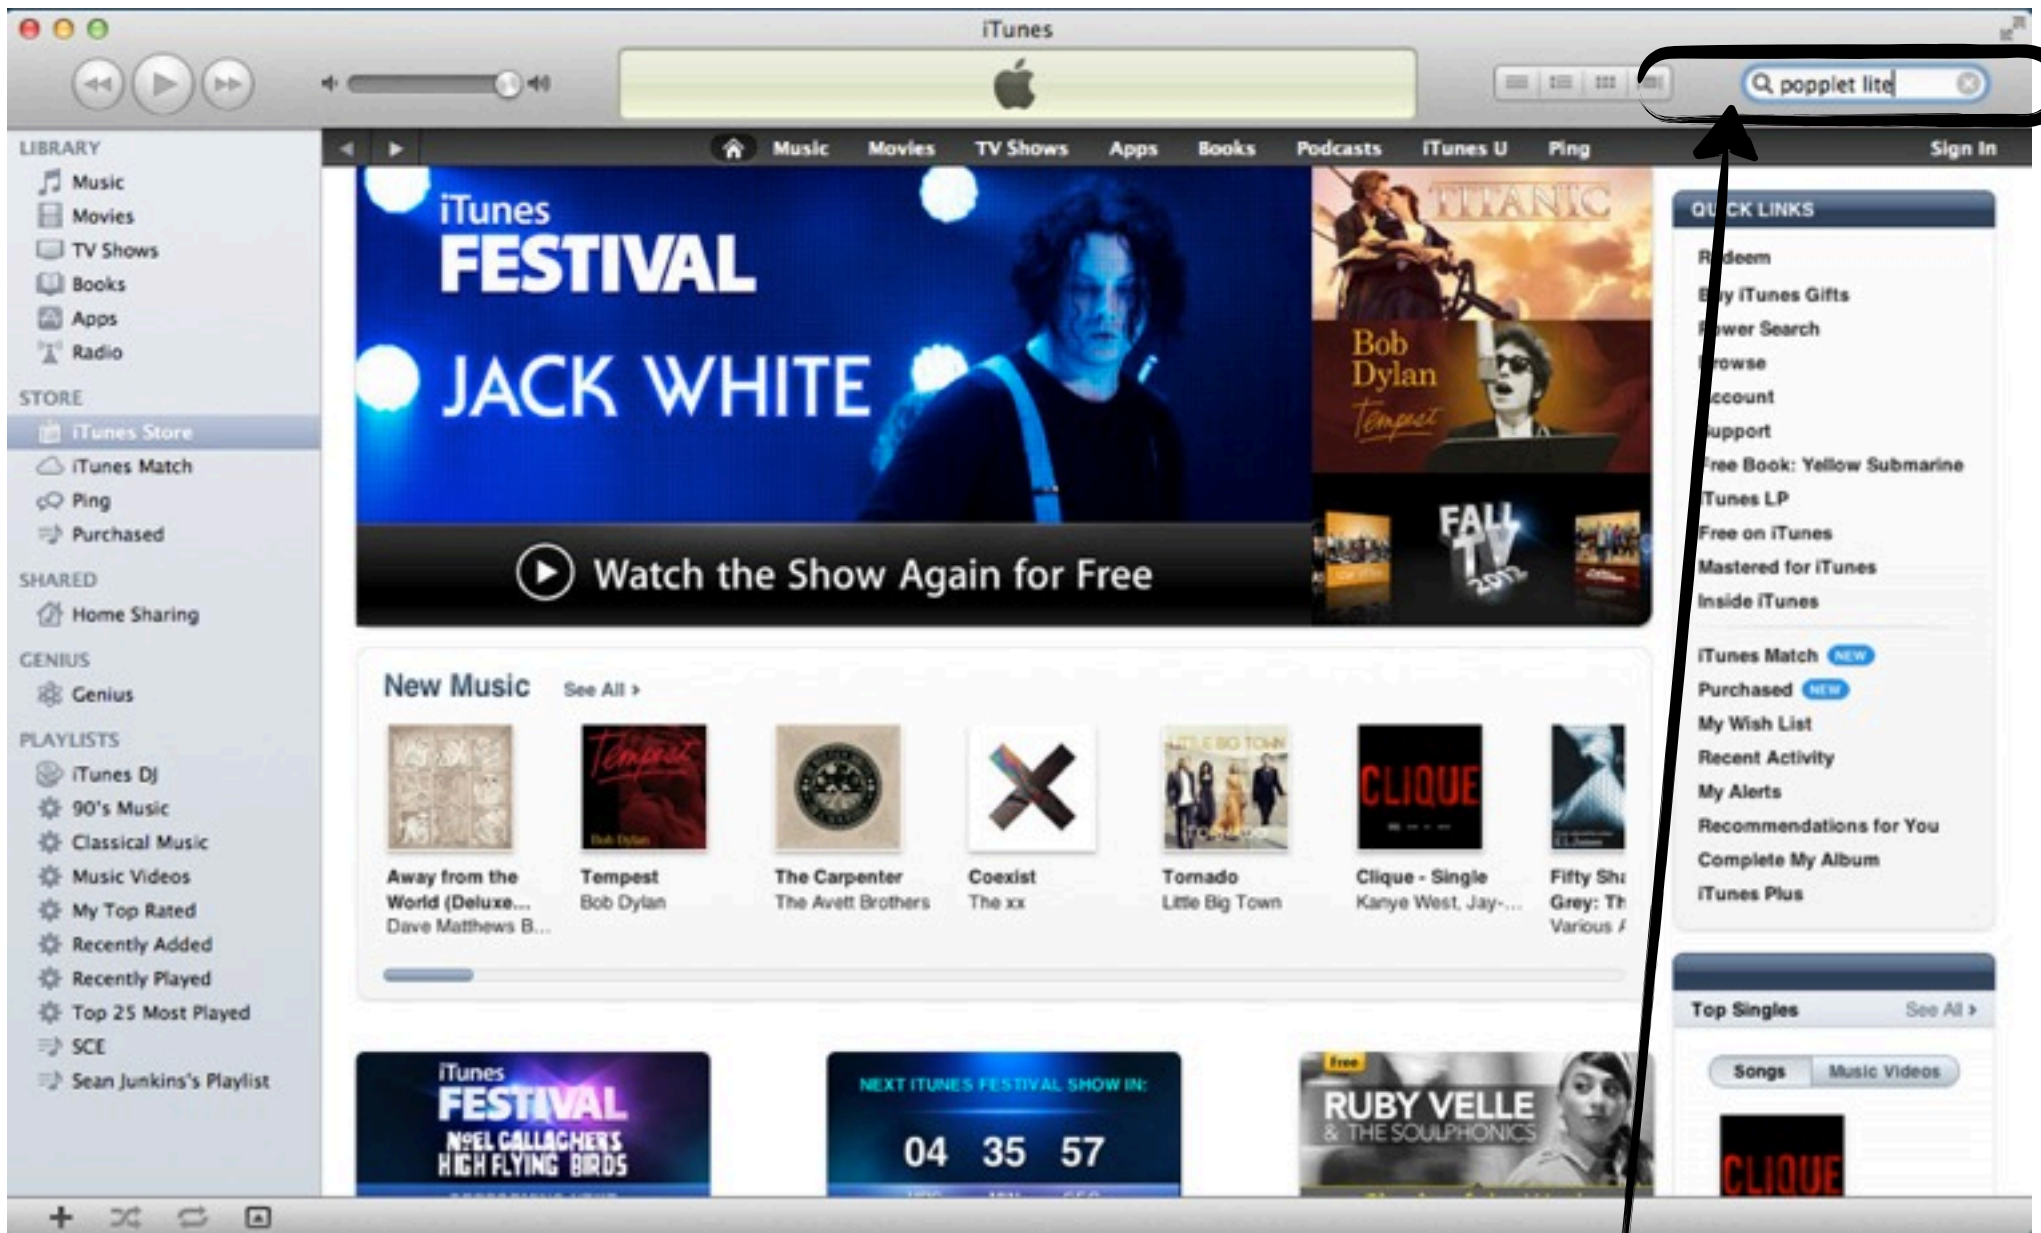

To download apps...

Login to your computer
and open **iTunes**

Open the **iTunes Store**
from the left hand menu

Search for the app
in the search bar

When your search results appear...

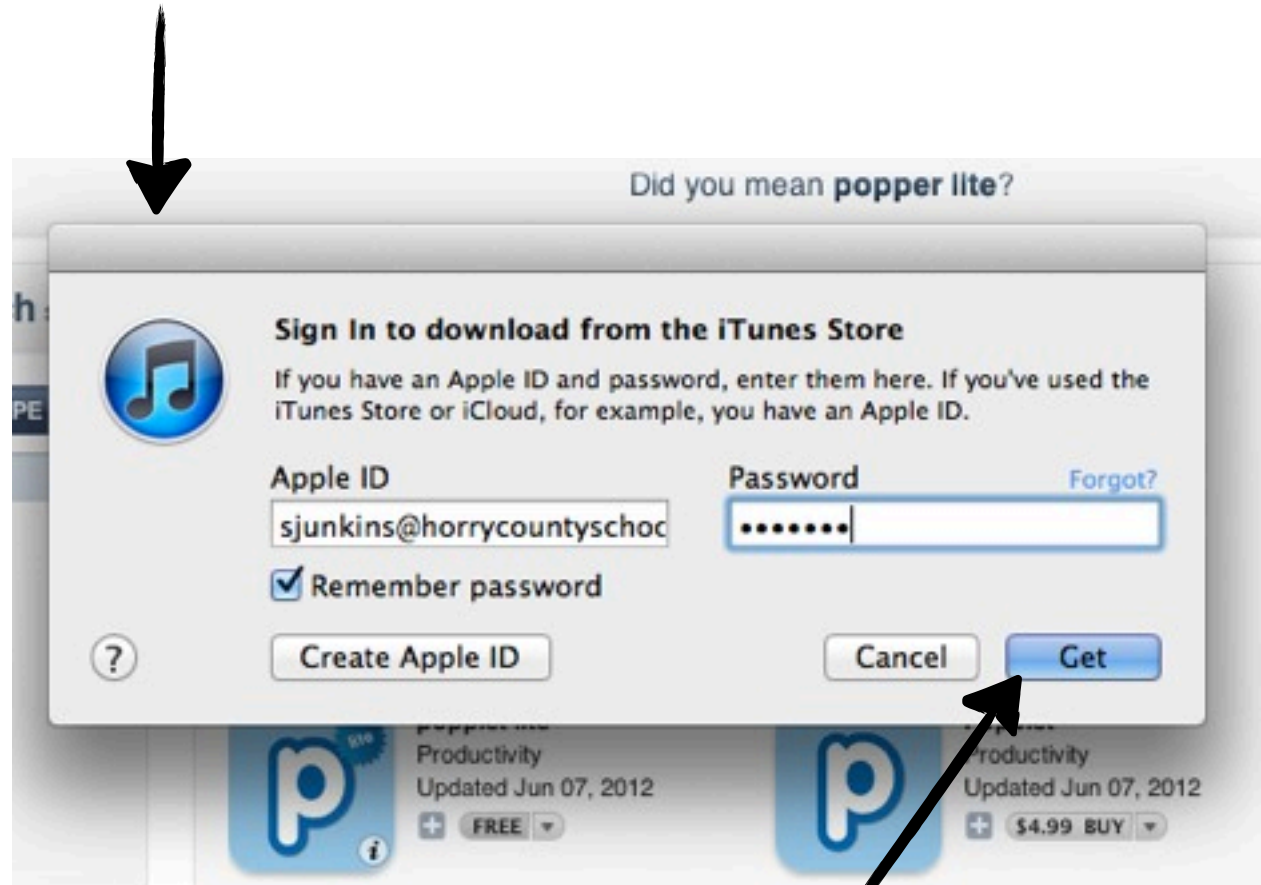

Click on the **FREE** button to download the app

Paid apps require volume licenses to be purchased

for more information about licensing, check with the individual managing the iPads at your school or sjunkins@horrycountyschools.net

You may be asked to sign in to
your school iTunes account

Click **GET** when finished

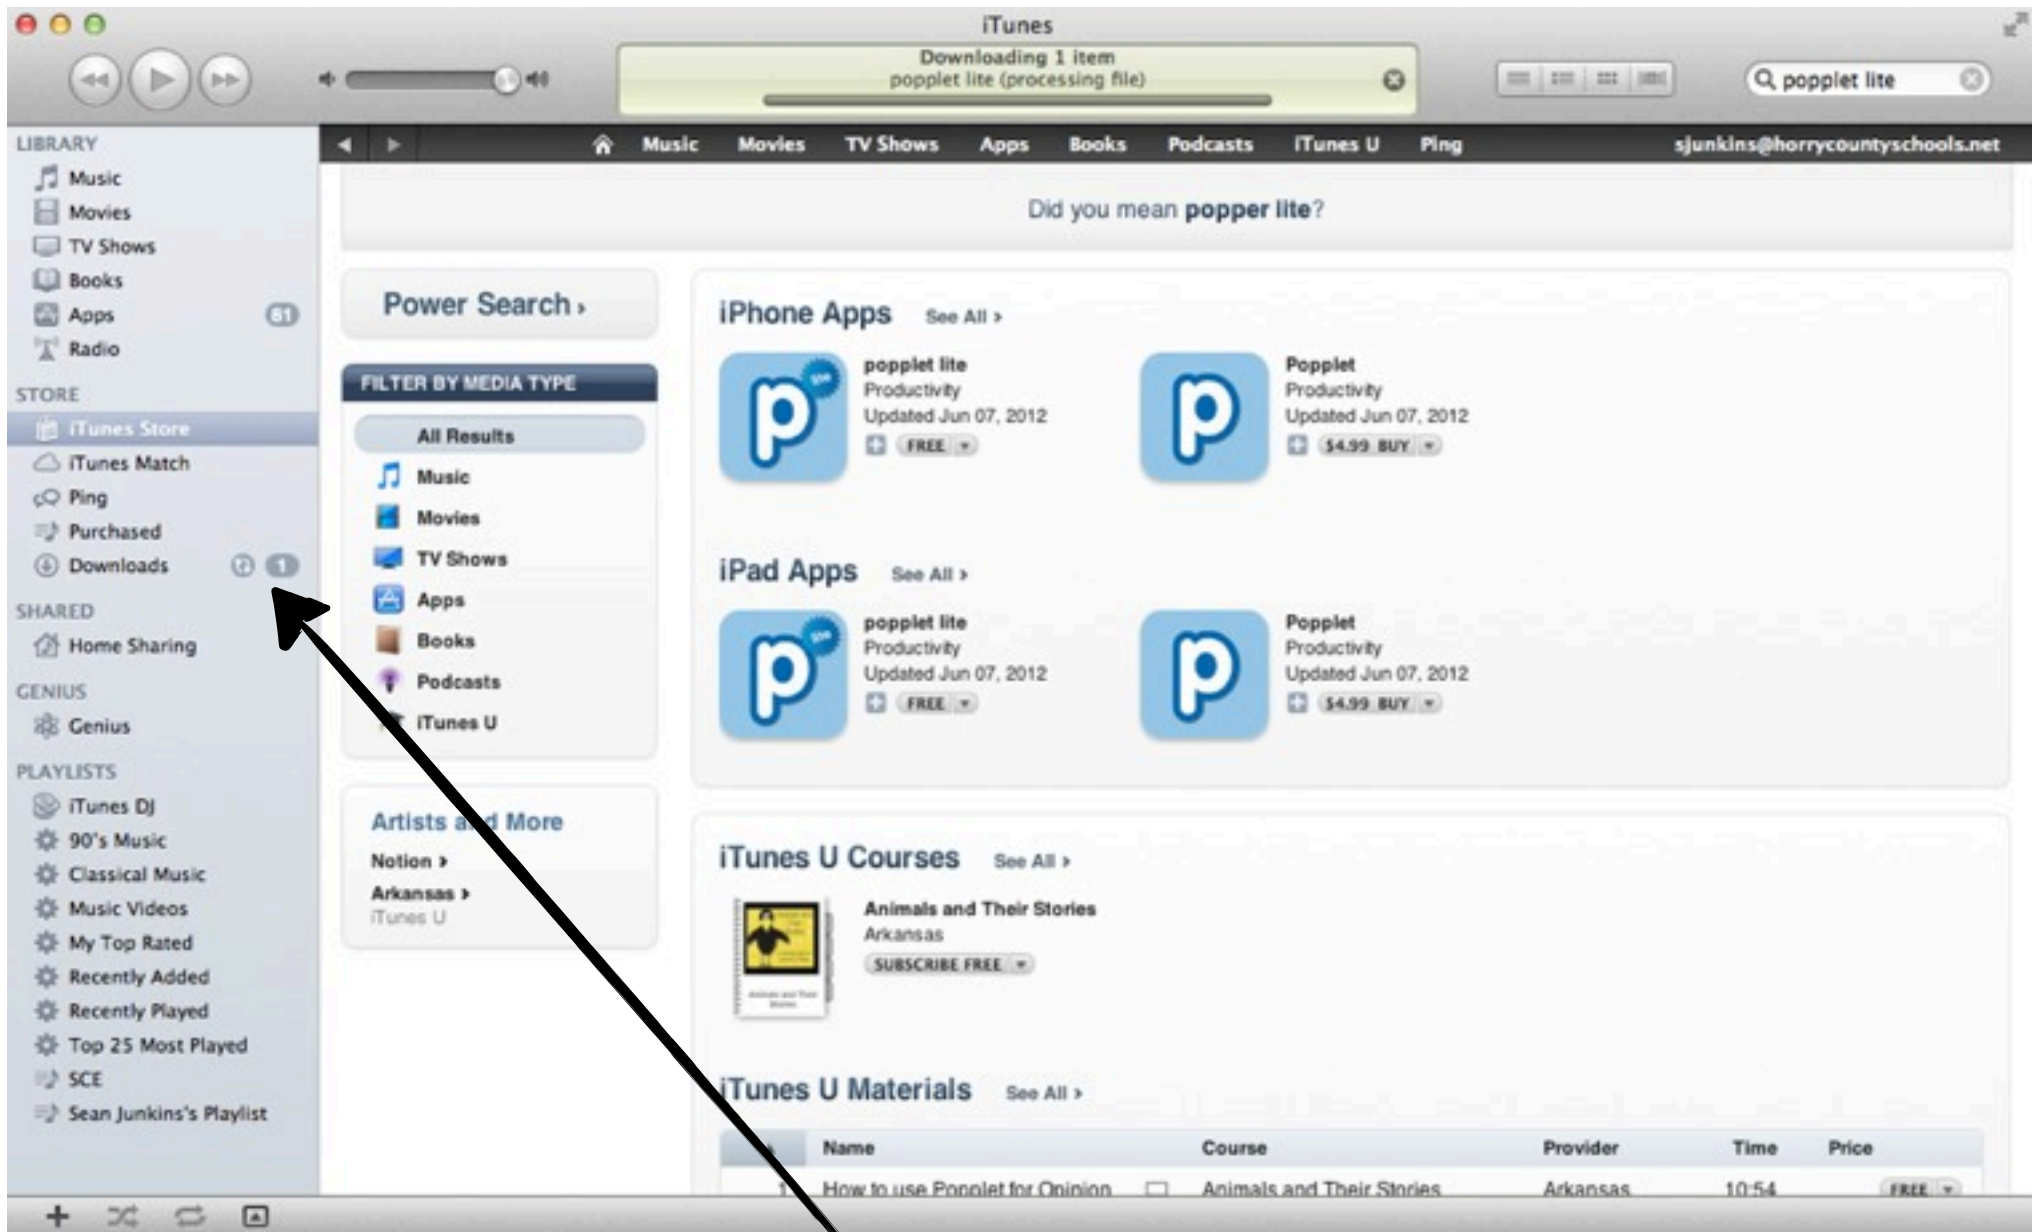

If you are unsure of your school iTunes password...

check with the individual managing the iPads at your school or
sjunkins@horrycountyschools.net

If the password is entered incorrectly multiple times, it could result in the account being disabled for a number of hours

Password Hints:

- All passwords start with a capital letter
- All passwords include numbers and letters

It may take a moment for your app to download

To ensure that your app has downloaded,
Open **APPS** under the **LIBRARY** tab

Your newly download app should appear

You can also search for it within the App Library

Once you have downloaded your app(s)...

close iTunes

When you're ready to sync apps to your iPads...

Open
APPLE
CONFIGURATOR
on your Sync Computer
